Dear Mr. Ciaramella:

The Executive Chamber acknowledges receipt of your FOIL request dated May 23, 2013, seeking:

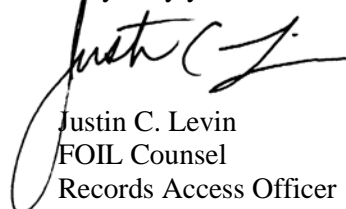

all emails from the Governor's office related to the New York Secure  
Ammunition and Firearms Enforcement (SAFE) Act of 2013.

We are performing a diligent search for the records you request. Because of the breadth of your request, the Executive Chamber anticipates, based upon a preliminary review, that it will update you with the status of your request by August 23, 2013. The Executive Chamber must identify and collect potentially responsive documents, and complete a thorough review to ensure that the documents are responsive and not exempt from disclosure under Public Officers Law § 87 (2). We will notify you in writing when the disclosable materials are available for release, or if additional time is needed.

You may consider limiting the scope of your request for an expedited response. For example, you may provide more information about the records you seek by providing keywords that the Executive Chamber can search for. You may also consider identifying the recipient(s) and/or sender(s) of the records.

If any documents are located that respond to your request, you will be charged \$.25 per page. If the response to your request will be provided in another media, we will notify you of any charges.

Very truly yours,

Justin C. Levin  
FOIL Counsel
